

Creature Comforters Information

Relax

This flower essence blend is used for "on the spot" help for animals. It can be used before, during or after any emotionally taxing, alarming, frightening or distressing event. It is suggested particularly for emergencies, fireworks, traumas, thunderstorms, accidents and fear of visits to the vets or groomers etc.

Comfort

A blend of essences used for animals who are pining, bereaved, neglected, lonely or suffering from anxiety, anguish or homesickness. It is very useful for animals who are relocating or who need help adapting to unfamiliar circumstances. It is suggested for bereavement, kennel accommodation, re-homing, rescue animals, relocation, left "home alone", prolonged anguish etc.

Courage

This blend is used to help animals who are timid, nervous, easily spooked, insecure or submissive. Comfort is suggested for under-confidence, showing nerves, shyness and general timidity.

Vigour

A natural flower essence blend used to help give a gentle "boost" to animal who are generally apathetic, lethargic or weary. It is also recommended for animals who are low, unmotivated or miserable. This blend is suggested for sluggishness, convalescence, old age , sadness etc.

Mellow

Mellow is a natural blend used to help animals who are dominant, hostile, stubborn or impulsive. It is suggested where an animal is territorial, anti-social, nervous, aggressive, in training etc.

Balance

Balance is natural help for animals who are highly strung, erratic, scatty or uncontrollable. It is suggested for unruliness, over excitability, friskiness, attention seeking, disobedience etc. It can be particularly useful when used in conjunction with training from a qualified animal behaviourist.

How to use:

Creature Comforters flower essence blends are given by either adding drops to the food or water (according to the instructions on the bottle).
